**Transportation:** Its important to remember that your Burch & Purchase cake is a delicate and perishable product ie: should be kept refrigerated. To ensure the quality of your cake is not compromised during transportation, we recommend that you keep your cake box flat at all times and avoid placing it in direct sunlight. The floor or boot of your car is the best place, never on the back seat and ensure your boxes are secure and will not slide around. If you plan to travel long distances with your cakes we recommend you bring a cooler bag or esky, especially through the warmer months! Once your cake is in your care it is important to follow these instructions, as Burch & Purchase will not take responsibility for any damage incurred during transportation.

**Cake sizes:** A selection of 18cm cakes are available daily, however we recommend you place an order to avoid disappointment, 24 hours is adequate. For larger cakes we require a minimum of 48 hours notice for production.

**Chocolate Plaques:** We can add a personalised birthday message or greeting to any of our larger cakes for an extra \$6. Our plaques are 70mm in diameter and come in white, dark or milk chocolate. We choose the plaque to best suit the aesthetic of the cake. The plaque can accommodate 5-6 words depending upon the length of each word. We recommend pre ordering to avoid disappointment.

**Nuts and other Allergies:** Please be advised that due to the warnings on some of the ingredients used at Sweet Studio there may be traces of nuts, soy or wheat products in all of our products. We use Halal gelatine at the Sweet Studio.

**Placing Orders:** Standard orders can be placed via email at [info@burchandpurchase.com](mailto:info@burchandpurchase.com) Be sure to include your full name, mobile number, the date and time you require your cake to be ready. Please list any special requests such as personalised plaques. Please note there is a \$6 charge. You will receive an email from the B&P team or a follow up phone call to confirm your order has been approved.

**Storage & Shelf Life:** To ensure your cake remains in optimum condition, it is recommended that it be stored at 3-5°C. If stored correctly your cake will look and taste great for two days, after that time you may see some deterioration to its finish but it will still be delicious for another three days. To get maximum enjoyment from your Burch & Purchase Cake we recommend that remove it from the fridge 30-40 minutes to let it come up to room temperature prior to serving.

**Portioning your Cake:** We recommend that you cut your cake with a sharp knife that has been warmed in hot water and dried before using. To achieve professional results repeat this process every time you wish to cut a portion.
